

Out of 100 of our patients in an anonymous survey carried out over 4 years 87% are extremely likely to recommend The White Practice Osteopaths to friends & family if they needed similar care or treatment.

Recent Patient testimonials

“I have been really pleased with the treatment to my back”.

“I was able to get my first appointment very quickly. The approach was very professional but at the same time made me feel I was in good hands. I have been given ongoing advice to try to prevent this happening again. Thank you very much for the treatment, help and support”.

“I have no hesitation in recommending The White Practice, everyone there is an expert in what they do, and the calm atmosphere really helps recovery”.

“I am thrilled to be pain free and able to play the ‘cello as before the arm injury. Provided you follow up with the set exercises, the results of treatment are remarkable!”.

“The Practice was very professional and welcoming, I was told how many sessions I might need, and they resolved my stiff neck problems”.
